

“Change my life, please give me an education...”

When you educate a child in Africa, everything changes. They'll be three times less likely to get HIV/AIDS, earn 25 percent more income, and have a smaller, healthier family.

If you are interested in sponsoring a primary child for just £125 a year, or secondary for £250.

Please contact Jean Ajin on 01344 645500, or email [sponsorship@mityanacharity.org](mailto:sponsorship@mityanacharity.org)

Help make a child's dreams come true.
